

STATEMENT PORTAL

Publishing’s Digital Transformation- The Pressures of Modernization

The publishing industry has seen a great shift towards the digitization of content and customer relations, from the way content is delivered and consumed to the relationships between publishers and their talent. The evolving nature of customer and talent interactions with the industry have pushed forward the digital transformation trend. Content distribution channels have expanded, and consumers are demanding high quality content and lots of it.

Therefore to remain competitive within the marketplace, it’s more critical than ever to strengthen author relations to retain and attract the best talent. With so many choices for content creators, from authors to videographers, how can you ensure that you’re doing business with the best and brightest?

Statement Portal

The Statement Portal by FADEL® strengthens author and agent relations and attracts new talent by providing a comprehensive set of author self-service capabilities and secure statement and document delivery services. Through Statement Portal, publishers are able to electronically deliver royalty statements, notifications, and numerous other important documents directly to the author, for a more efficient form of communication.

The screenshot displays the 'Statement Portal' web application. The interface includes a navigation bar with 'Statements', 'Parties', and 'Help' menus. A search bar is located at the top right. The main content area is divided into three sections:

- Statement List:** A table with columns 'Statement #' and 'Statement Period'.

Statement #	Statement Period
147591	Q221
147592	Q420
147593	Q320
147631	Q220
- Statement Documents:** A table with columns 'File Name', 'File Type', and 'File Size'.

File Name	File Type	File Size
BP_Royalty_Statement_Q221.pdf	Summary Statement	70KB
BP_Tax_Document_1040_S3.pdf	Tax Form	215KB
- Booker Wins Top Book Award:** A notification card with the title 'Booker Publishing Wins Award' and a date of '05/27/21 17:52'. The text reads:

"In The Darkness" wins coveted prize for Top Book of 2021

For the third year in a row, Booker Publishing has won a Top Book Award from the Authors Association of America. This prestigious award is given to publishing companies for exciting books from new authors.

Barbara Wright's "In The Darkness" is the winner of this distinction for 2021 and we congratulate her and all our new authors on their current and future successes.

To learn more, please visit the Booker Publishing website.

At the bottom of the interface, there are 'Cancel' and 'Save' buttons.

A simple solution for the increasing pressures of digitization, Statement Portal offers publishers the benefits of:

- Improved author relations & communications – Improve author communications by managing a 1:1 relationship online with the ability to send out personalized notifications to any combination of authors, agents, and business units for a powerful marketing and customer service engine
- Greater transparency – Provide authors with a secure, easy to use portal to view, search across and download royalty statements and other important documents
- Increased operational efficiency – Streamline business processes and reduce paper waste and printing costs by transitioning from paper statements to electronic delivery

Key Features
